Classroom supplies: (Please do not "track the items down." We appreciate anything that you can spare. Tissues usually seem to be our greatest need. 2 boxes of tissues, 1 roll of paper towels, 2 packages of copy paper, 1 bottle of hand sanitizer or 1 container of wipes. **These supplies do not need to come in on the first day - have your child bring them as you find them on sale, your finances allow, or your child is able to carry some things in. Thank you for your generosity!

Please expect to cover all workbooks in clear contact. Thank you for all of your help and support!
